

# **QUILTING NATURAL FLORIDA II**

## **CONSIGNMENT ITEMS FOR SALE AT MUSEUM SHOPPE**

**Quilters of Alachua County Day Guild has been invited to submit items for consignment sale at the FMNH Shoppe during QNFII, Feb-May, 2010.**

- 1. All fabrics used must be representational, symbolic or iconic of the natural flora, fauna and environment of Florida to be consistent with the exhibit.**
- 2. Guild members will set the price of their items. Guild members will receive 60% of the selling price with 30% going to the museum shoppe and 10% to the guild.**
- 3. Items suggested by the shoppe manager include: quilted postcards, bookmarks, wallets, phone covers/eye-glass cases, sewing kits, pin cushions, ornaments, stuffed animals, etc. The space is limited, so there could be room for miniatura/doll-sized quilts and perhaps a few small quilts. The manager suggested keeping the price under \$40.00.**
- 4. The manager also suggested that we set the same price for similar items, i.e. all postcards the same price, for easier paperwork.**
- 5. To assess the degree of interest in this project, the committee is asking for an application with description of items (not detailed) at the Nov. 5 Guild meeting.**
- 6. Priced items will be collected at the January Guild meeting! We will determine how we will replenish when we see what we have and what is selling.**
