

Play the Fat Quarter Game in 2012

FQ's are: A yard of fabric divided into actual quarters (18" x 22")

The Rules are simple:

New, or recently purchased, **unwashed, quilter's quality cotton** in **that month's theme**

Enter as many FQs as you'd like. Each one gives you a chance to win the pot.

If we have more than 30 FQs entered, we'll divide the pot and have two winners.

Here are the **themes for 2012**. Have fun shopping!

January	Pot Luck (Whatever your heart desires.)
February	Black & White
March	Red all over
April	It's Raining
May	Cats & Dogs!
June	Stars (Five-point, six-point, literal or impressionistic, any colors.)
July	Poles, or Stripes (Could be ethnic, a barber's, a stripper's, or a stripe!)
August	Geometry (Square, rectangle, triangle, circle, oval, parallelogram, octagon...)
September	You're such an animal! (Go ahead, use your imagination for this one.)
October	Parlez-vous français? (Anything with a French flair.)
